Name : Khunt Isha A.
Roll no : 29
Div : A
Sem : 7
Practical Assignment : 3

Question : 1

- Develop a user registration form (fields: username, password, confirm password, email, gender, hobbies, upload profile pic, upload other pics) (use text box, radio, checkboxes, file upload) using Express. Form should also contain file upload (single, multiple) with validations.
  - In case of invalid data, display errors along with all previous field values.
  - In case of all valid fields, display all data and images in a well formatted tabular form.

and allow the user to download that file using Express. Develop route for file download.
(Use express, ejs, express-validator)

User Registration
